

**GET TO KNOW
#TEAMGRAHAM**

1.

How has your role at GRAHAM evolved over the years?

“In 2013, I started out as an Administrator. I worked in this role for several years, until an amazing opportunity arose to study BSc (Hons) Quantity Surveying and Commercial Management at Ulster University, whilst continuing with GRAHAM.”

GRAHAM 

2.

How did you decide to pursue a career in Quantity Surveying?

“Working alongside Quantity Surveyors within the commercial team planted an interest, and I loved the prospect that each work-day would be different.”

3.

If you had to describe yourself in three hashtags, what would you say?

“Ambitious, passionate and a travel lover.”

4.

**What can you not live
without?**

“My family.”

5.

**What piece of advice
would you give to your
younger self?**

“Believe in yourself, and you’re halfway
there!”
